

Clarification Request

Request from: "TODO-your-name" < TODO-your email address>

References: TODO-revise this line as appropriate: BTL Test Plan 9.0.final, 135.1-2009 test TODO-number-here

Stage: Request, Listed, Analysis, Resolved

Actions necessitated: Checklist/Test Plan change, BTL Specified Tests change, SSPC Interpretation required, Implementation Guidelines change,

Date of BTL-WG Response: _____
All actions necessitated have been completed

Background:

135.1-2009 test TODO-number-and name here

TODO-paste entire existing test here, then, use ~~striethrough for parts of test to be stricken~~ and *italics for new material*. Then **highlight in yellow, all parts you have changed**.

Question:

TODO-ask a yes-or-no question. It can be: Are the above changes correct? if that is applicable.

Response:
